

SDS Assistants

If you want to attend any of the future SDS events for **FREE – become an SDS Assistant (open only for the delegates who've attended at least one SDS event)**

As an SDS Assistant you help with registration in the beginning of the course and with various tasks during breaks, at the same time being able to attend the training event without paying a course fee. (Travel expenses and accommodation are not covered.)

If you are interested – please complete the form below (please read carefully).

I would like to become SDS Assistant.

I understand that I can apply for assisting at any SDS event of my choice. At the end of the training event I will receive a Certificate of Attendance.

I understand that assistants' places are limited and will be allocated on first come first served basis, so that there is no guarantee that I will get the assistant's place for the chosen event.

I am happy to be contacted by SDS if they need an assistant for the particular event in my area, however I am under no obligation to accept the job if it is not convenient for me.

My contact details:

Name _____

Address _____

_____ Post Code _____
